ALMA MATER

While your halls grow worn and scarred,
As the years pass quickly by,
May your virtue ne'er be marred
By us who love you, Fayette High.

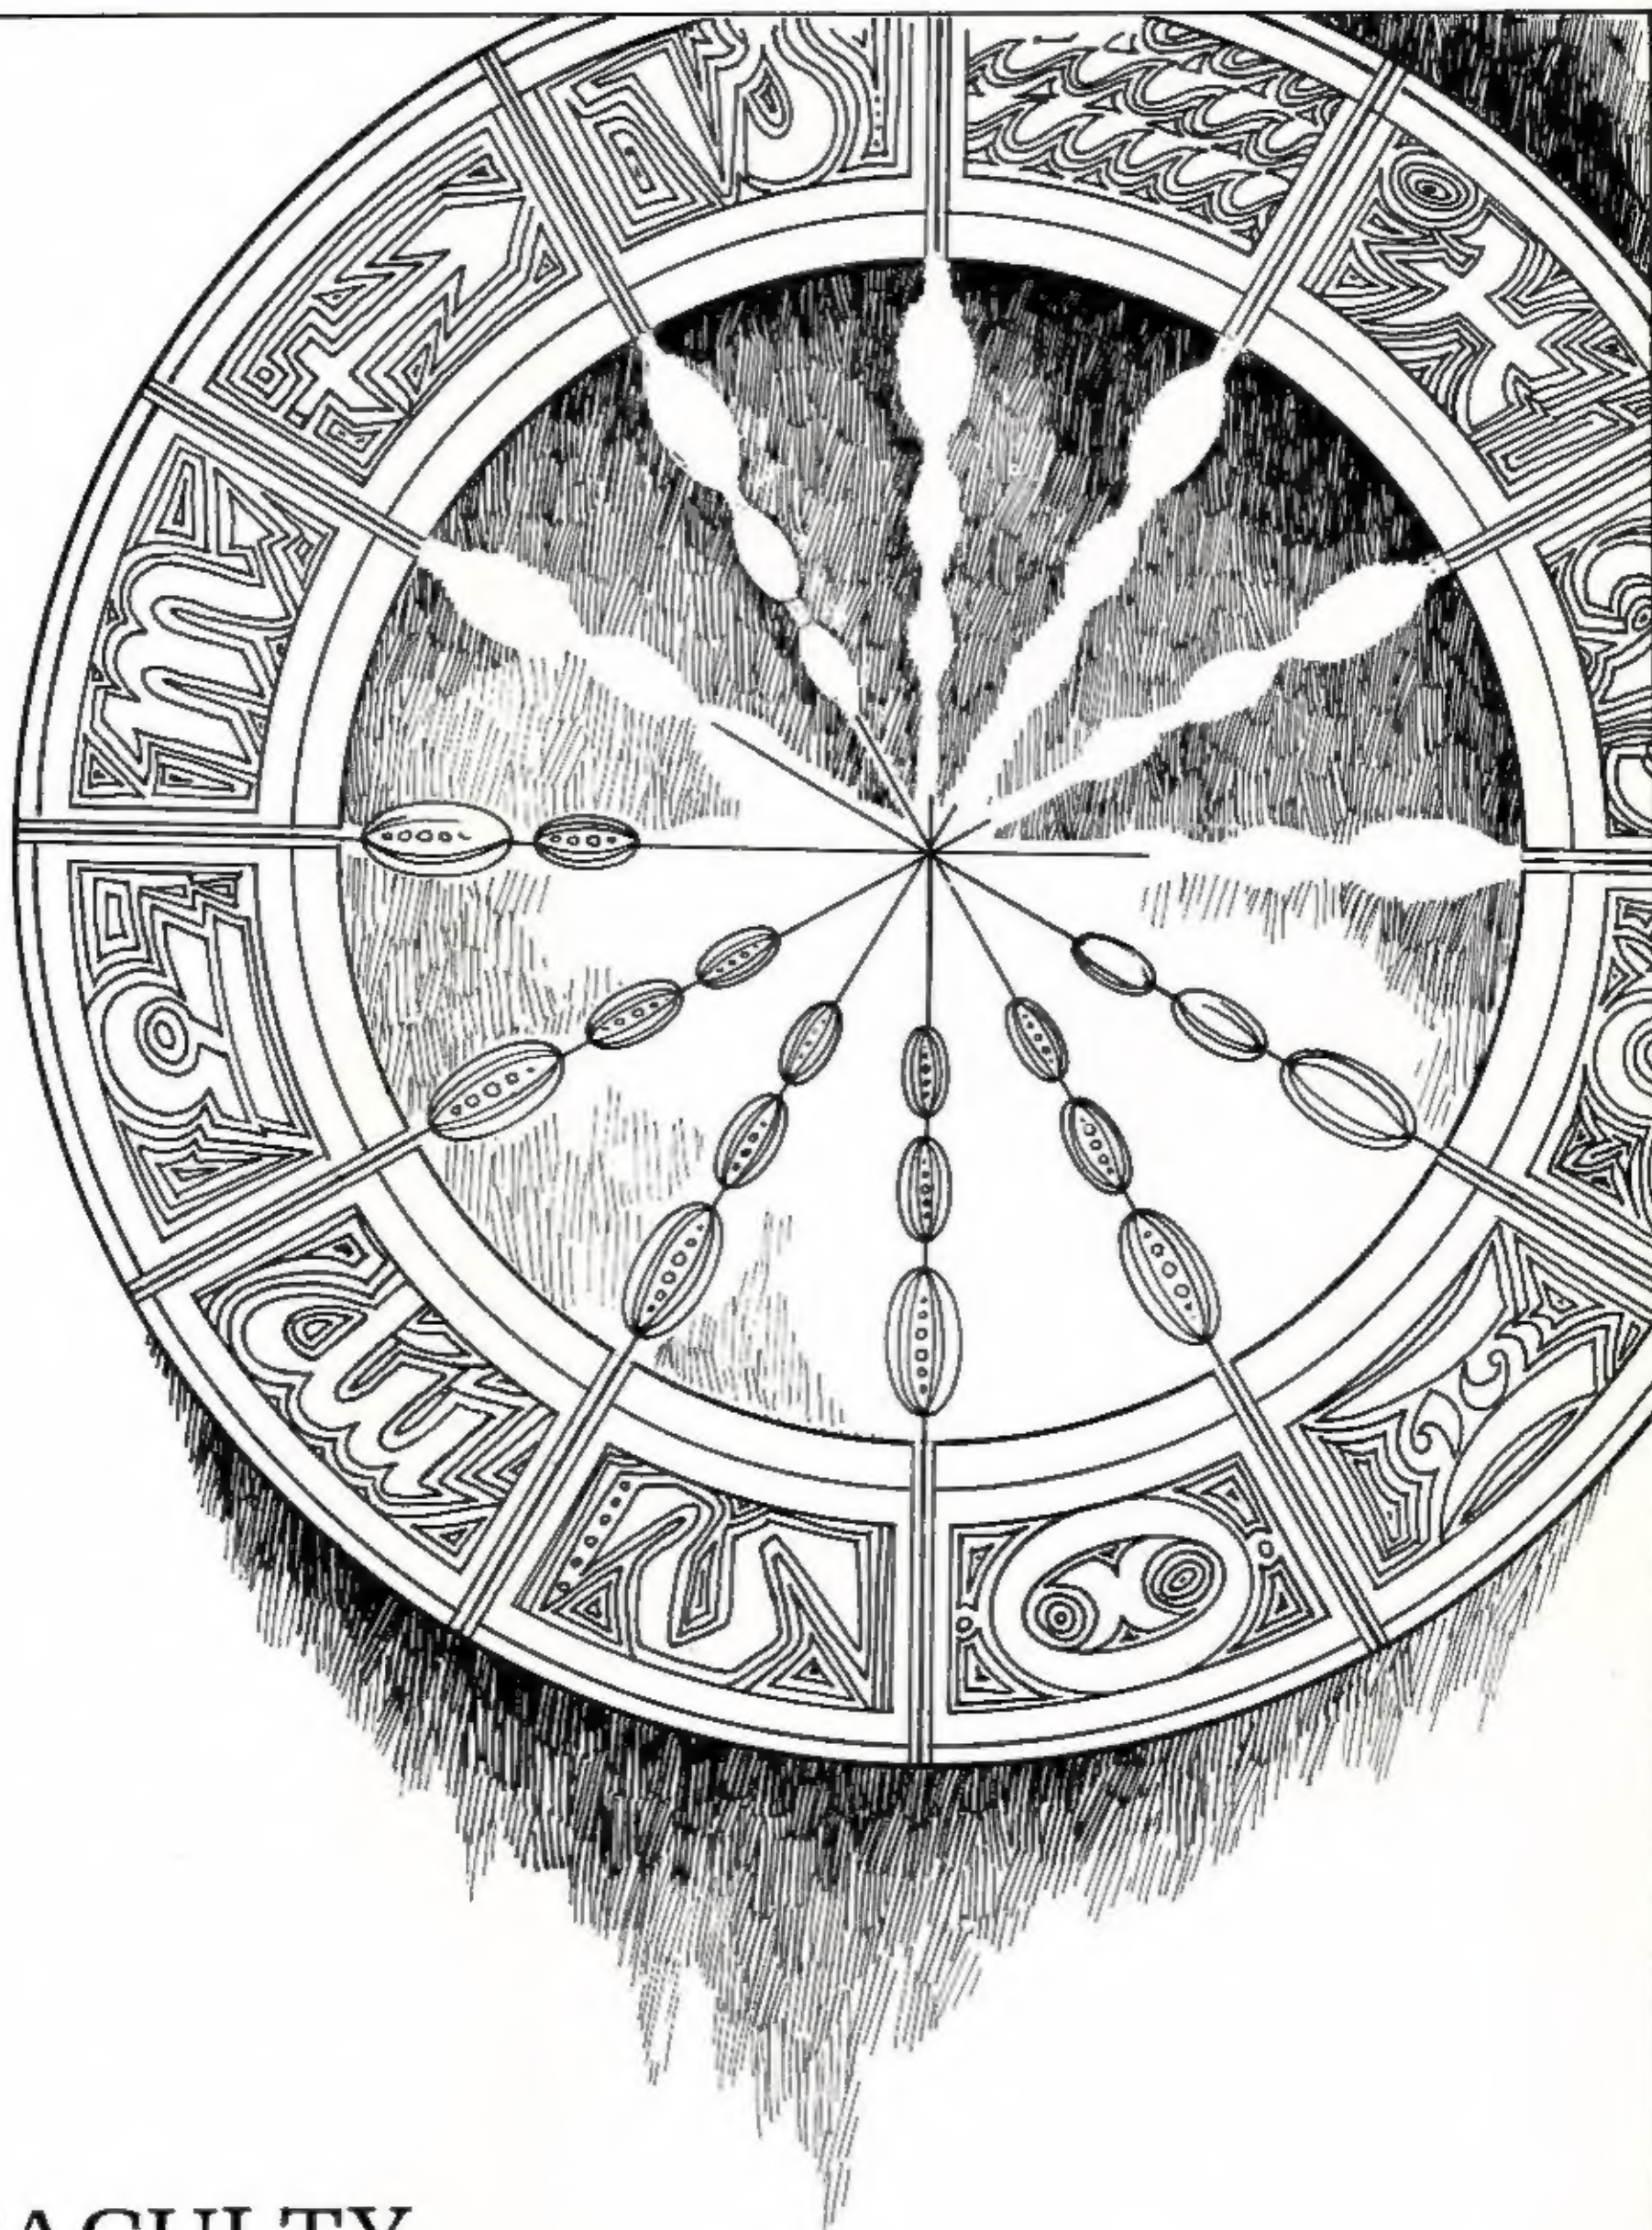

While we wear the black and gold,
Sing your glory to the sky,
Spirit ne'er will go untold,
By us who love you, Fayette High.

Guard the joys and sorrows shared,
As the years pass quickly by,
Keep in honor triumphs dared,
By us who love you, Fayette High.

- Margaret Knight Hampton

FIGHT SONG

And when those Fayette Panthers
fall in line,
We're gonna win this game another time,
For the dear old school we love so well,
We're gonna yell and yell
And yell and yell and yell.
We're gonna fight, fight,
Fight for every score;
We're gonna yell and yell and yell
some more.
We're gonna roll old foe
In the dirt, till they hurt.
Rah, Rah, Rah-a-ah!

Fayette Defeats Bartlett Friday By Eight Points

The Fayette County High School Panthers grabbed two first quarter touchdowns and held on to defeat the Bartlett Panthers, 14 to 6, in a thrilling football game Friday night on Wilkinson Field.

Coaches Gene Cain, Glen Cathcart and Foy Norwood did an outstanding job this year as they guided the Panthers to a winning season, with six wins and four losses. Also, a great deal of credit should be given to the defensive team,

Fayette received the opening kickoff and marched 60 yards in 11 plays to put the first six points on the scoreboard. Sydney Wilson plunged over from the one-yard line and Douglas Jenkins kicked the extra point to make the tally 7 to 0.

Fayette Smothers Eagles Friday With 34-8 Score

It took the Fayette County High School Panthers only seven plays to score their first touchdown after receiving the kickoff, as they rolled over the Chester County Eagles of Henderson, 34-8, Friday night on Wilkinson Field.

With only 22 seconds remaining in the first period, Wilson again drove through the Bartlett line to score from the one-yard mark. Jenkins added the point after with a booming kick through the uprights.

Two In Second

Two more touchdowns were added for Fayette in the second quarter when quarterback Terry Chambers connected with Ronald Lewis for a 5-yard advance and score and then passed to halfback Lawrence Bryson for 11 yards for the second tally. Sydney Wilson posted 4 more points by running the ball over after each of the scores.

PHYLLIS GUTHRIE

RITA MARTIN ✱
Starr

Lefty
forever!

Oh, so that's how to do it!

In my four years of basketball, I have known many, many different feelings. The pre-game excitement and nervousness, those last few minutes when the other team seems determined to beat you, the pure joy of knowing you won, the awful hurt of realizing there just wasn't enough time left to win, and the hope and encouragement of knowing there will be another game next week are just a few of the emotions I have thoroughly enjoyed for four years. I'm very sorry that they're almost at a close. I will never, never forget all the basketball games I played.

Rita Martin

Basketball has meant a lot to me all through high school. I have had a goal to work for and trying to achieve it has been exciting. In playing ball I have met with victory and defeat, and I know it has been good for me to learn how to deal with each. I'll never forget my high school years, and basketball has been the best part of them.

Phyllis Ann Guthrie

CARLA PARROTT

GINJA RIKE

In the association with the other players, I have learned many lessons. My habit of being very tidy came from the example of our neat dressing room. Ginja taught me how to leave a blonde hairy spider lying nearly on top of a shelf. From Rita, I have learned a whole new vocabulary of interesting words. The art of graceful movement is a truly appreciated gift I have received from Phyllis. In truth, the warm friendship that I have received from the Seniors of the basketball team is an event that I will carry all through the years of my life. This last year was really Kull!

Carla Parrott

I started my basketball career as a tall, clumsy, dumb, uncoordinated Freshman. I, therefore, end my basketball career as a tall, dumb, clumsy, uncoordinated Senior.

Ginja Rike

Playing basketball at F.C.H.S. has been a disappointing experience. I couldn't have asked for a better coach and better friends but yet there was something missing. The feeling of enthusiasm as well as support seemed to be lacking. Having come from another school, I found this situation very difficult to accept. My advice to anyone is: if you want to play basketball in Fayette County, be a girl.

Allan Ferguson

This basketball season didn't end the way it should have for us at Fayette County High. But I have enjoyed the two years of playing center for the Panthers.

The fortune teller tells me that
I have somewhere to go.
I look and try to understand
and wonder how she knows.
But I must be going now;
I'm losing time my friend.
Searching for a rainbow
Down this Highway in the Wind.

- Arlo Guthrie

Preach to the Peace

To a
nice gal. Who
is one of the best
bass clavinet players I
know. I wish you would
tell me & play pretty even once
in a while. I'd be glad to see you a
Meet One.

Billy

I don't know how
you keep going, but
the only thing that
matters is that you do.
Good luck in Memphis
next year. Thanks for
the great friendship we
shared. Be good &
keep in contact.
You'll probably
get umpteen thousand
swords next year.

this year. May you have
all the luck in the future

To a sweet girl
and to one of the
nicest in the school
I hope you have had
as much fun as I have
going to school with
you.
